Product highlights

Premium ice cooler with pivoting head
The patented ice cooler soothes the skin reducing the unpleasant feeling of epilation. Its pivoting head follows every curve of your body for optimal cooling and less pain.

New ceramic epilation system
*Thanks to its unique ceramic material and ergonomic shape the epilation head catches more hairs ensuring up to 20% faster epilation. *Compared to Philips Satin Ice*

Hypoallergenic discs for better skin care
The hypoallergenic epilation head reduces the risk of allergic skin irritation taking extra care of your skin.

Active massage system for skin relaxation
The integrated massaging system relaxes your skin and makes Satinelle Ice the most gentle epilator from Philips.
